CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

The GEM Listing Rules permit companies with a primary listing on GEM to repurchase their fully-paid shares subject to certain restrictions. This appendix serves as an explanatory statement, as required pursuant to Rule 13.08 and other relevant provisions of the GEM Listing Rules, to provide you with requisite information for your consideration of the Repurchase Mandate.

1. EXERCISE OF THE REPURCHASE MANDATE

As at the Latest Practicable Date, there were 476,300,000 Shares in issue. Assuming that no further Shares are issued or repurchased between the Latest Practicable Date and the date of passing the resolution approving the Repurchase Mandate, the exercise of the Repurchase Mandate in full could result in up to a maximum of 47,630,000 Shares being repurchased by the Company during the period up to (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of the Company, the Companies Law (Revised) of the Cayman Islands or any applicable laws of the Cayman Islands to be held; or (iii) the revocation or variation of the Repurchase Mandate by an ordinary resolution of the Shareholders in general meeting, whichever occurs first.

2. REASONS FOR REPURCHASES

Although the Directors have no present intention of repurchasing the Shares, they believe that the Repurchase Mandate is in the best interests of the Company and its Shareholders for the Directors to have a general authority from the Shareholders to enable the Company to repurchase Shares on the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value and/or earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders.

3. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the Articles and the applicable laws and regulations of the Cayman Islands.

Shares may only be repurchased out of the profits of the Company or out of the proceeds of a fresh issue of Shares made for the purpose of repurchase. The premium, if any, payable on repurchases must have been provided for out of the profits of the Company or out of the share premium account of the Company before or at the time the Shares are repurchased. The Company may not repurchase Shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

4. GENERAL

There might be material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements contained in the Annual Report) in the event that the Repurchase Mandate is exercised in full. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on its gearing levels which in the opinion of the Directors are from time to time for the Company.

5. DIRECTORS' UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same way be applicable, they will exercise the power of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the Articles, the GEM Listing Rules and the applicable laws of the Cayman Islands.

6. DIRECTORS AND CONNECTED PERSONS
