- (c) to grant the Extension Mandate so as to increase the number of Shares to be issued and allotted under the General Mandate by an additional number representing such number of Shares repurchased under the Repurchase Mandate.

As at the Latest Practicable Date, the issued share capital of the Company comprised 5,251,084,922 Shares. Subject to the passing of the proposed resolution for the grant of the General Mandate and on the basis that no Shares are allotted and issued or repurchased by the Company prior to the Annual General Meeting, the maximum number of new Shares to be issued under the General Mandate is 1,050,216,984 Shares.

Each of the General Mandate and the Repurchase Mandate, if approved, will continue in force until the earliest of: (a) the conclusion of the next annual general meeting of the Company following the Annual General Meeting; or (b) the end of the period within which the Company is required by the Companies Act or the Bye-laws to hold its next annual general meeting; or (c) when revoked or varied by an ordinary resolution of the Shareholders in a general meeting prior to the next annual general meeting of the Company following the Annual General Meeting.

Under the Listing Rules, the Company is required to give the Shareholders all information which is reasonably necessary to enable the Shareholders to make an informed decision as to whether to vote for or against the resolution for the grant of the Repurchase Mandate to the Directors. Sze Wai, Marco
Chairman

This appendix serves as an explanatory statement, as required by the Listing Rules, to provide the requisite information to enable you to make an informed decision whether to vote for or against the resolution to approve the grant of the Repurchase Mandate to the Directors.

1. LISTING RULES RELATING TO THE REPURCHASE OF SECURITIES

The Listing Rules permit companies whose primary listing is on the Stock Exchange to repurchase their securities on the Stock Exchange subject to certain restrictions, the most important of which is summarised below. The Company is empowered by its memorandum of association and the Bye-laws to repurchase its own securities.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 5,251,084,922 Shares. Subject to the passing of the proposed resolution for the grant of the Repurchase Mandate and on the basis that no Shares are allotted and issued or repurchased by the Company prior to the Annual General Meeting, the Company will be allowed under the Repurchase Mandate to repurchase a maximum 525,108,492 Shares.

3. REASONS FOR THE REPURCHASE

The Directors believe that the Repurchase Mandate is in the best interests of the Company and the Shareholders. An exercise of the Repurchase Mandate may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made if the Directors believe that such repurchases will benefit the Company and the Shareholders.

4. FUNDING OF REPURCHASES

In repurchasing securities, the Company may only apply funds legally available for such purpose in accordance with its memorandum of association and the Bye-laws, the Listing Rules and the applicable laws of Bermuda.

Taking into account the current working capital position of the Group, the Directors consider that, if the Repurchase Mandate were to be exercised in full, it might have a material adverse effect on the working capital and/or the gearing position of the Group as compared with the position as at 31 December 2015. However, the Directors do not intend to make any repurchases to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing position of the Group which in the opinion of the Directors are from time to time appropriate for the Group.

5. SHARE PRICES

The highest and lowest prices at which the Shares have traded on the Stock Exchange during each of the previous twelve months and up to the Latest Practicable date were as follows:

	Highest	Lowest
	<i>HK\$</i>	<i>HK\$</i>
2015		
April	0.420	0.250
May	0.415	0.310
June	0.390	0.245
July	0.340	0.120
August	0.235	0.159
September	0.214	0.178
October	0.194	0.172
November	0.181	0.161
December	0.196	0.153
2016		
January	0.165	0.131
February	0.159	0.119
March	0.126	0.113
April (up to and including the Latest Practicable Date)	0.129	0.111

6. DISCLOSURE OF INTERESTS AND MINIMUM PUBLIC HOLDING

None of the Directors or, to the best of their knowledge, having made all reasonable enquiries, their associates (as defined in the Listing Rules), have any present intention to sell to the Company or its subsidiaries any of the securities in the Company if the Repurchase Mandate is approved at the Annual General Meeting and exercised.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the power of the Company to make purchases of the Shares pursuant to the Repurchase Mandate in accordance with the Listing Rules, applicable laws of Bermuda and the regulations set out in the memorandum of association of the Company and the Bye-laws.

If a Shareholder's proportionate interest in the voting rights of the Company increases on the Company exercising its powers to repurchase securities pursuant to the Repurchase Mandate, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Directors, Leading Value Industrial Limited (“**Leading Value**”) and Global Prize Limited (“**Global Prize**”) (which are, in turn, solely owned by Mr. Sze Wai, Marco, the chairman of the Company) held 2,427,809,906 Shares representing approximately 46.23% of the issued share capital of the Company. On 5,251,084,922 Shares in issue as at the Latest Practicable Date and assuming no further issue nor repurchase of Shares prior to the date of the Annual General Meeting, and that Leading Value would not dispose of their respective Shares or acquire additional Shares, if the Repurchase Mandate were exercised in full, the percentage shareholding of Leading Value would increase to approximately 51.37%. The Directors are not aware of any consequence which would arise under the Takeovers Code as a consequence of any repurchases pursuant to the Repurchase Mandate.

The Directors have no intention to exercise the Repurchase Mandate to such an extent that will result in less than 25% of the Shares being held by the public.

As at the Latest Practicable Date, no connected person (within the meaning ascribed to it in the Listing Rules) of the Company has notified the Company that he/she/it has a present intention to sell any securities of the Company nor has such connected person undertaken not to sell any of the securities held by him/her/it to the Company in the event that the Repurchase Mandate is granted.

7. SECURITIES REPURCHASE MADE BY THE COMPANY

The Company had not repurchased any of the Shares (whether on the Stock Exchange or otherwise) during the six months preceding the date of this circular.
